Report on Class Assembly – Guru Purnima

A special class assembly was conducted on the auspicious occasion of **Guru Purnima** by the students of **Grade 5D** on **10th July 2025 (Thursday)**. The assembly aimed to honour and express heartfelt gratitude to all Gurus and teachers who guide, inspire, and nurture young minds.

The highlight of the assembly was a well-executed skit presented by the students, on the **true meaning of a Guru**, depicting that a Guru is not limited only to teachers but also includes parents, grandparents, elders, and even the helping staff who guide, support, care for, and teach us important lessons in life. The skit conveyed that a Guru is anyone who removes ignorance and leads us towards knowledge and righteousness.

Adding to the intensity of the occasion, the students rendered a soulful song dedicated to teachers, expressing their respect and deep sense of gratitude. A graceful dance performance was also presented by the students as an offering of reverence and devotion.

Overall, it was a **well-coordinated and inspiring assembly** that instilled in students the true essence of Guru Purnima – to respect, honour, and seek blessings from those who guide us towards enlightenment.
