Assembly Report

Grade 3B

Every festival brings with it a message of joy, goodness, and harmony. **Diwali**, the festival of lights, reminds us to welcome positivity and drive away negativity from our lives.

With this thought in mind, the students of **Grade 3B** gathered on **17th October 2025** to celebrate **Diwali** with great enthusiasm and excitement. The highlight of the assembly was an inspiring **skit on the theme “Welcome Lakshmi and Saying no to Alakshmi.”** Through this performance, the students beautifully conveyed how Goddess Lakshmi represents goodness, prosperity, and kindness, while Alakshmi stands for laziness, anger, and greed. The message was clear — by embracing positive qualities, we invite happiness and success into our lives, and by letting go of negative habits.

Following the skit, the students presented a **vibrant dance performance** that filled the atmosphere with festive cheer and energy. The colourful costumes, graceful movements, and bright smiles truly captured the spirit of Diwali.

As the assembly came to an end, the students encouraged everyone to celebrate Diwali safely and meaningfully. They reminded the audience that true light comes not just from lamps, but from goodness, kindness, and love within our hearts.
