

NATIONAL PUBLIC SCHOOL KENGRI, BENGALURU

Special Assembly - Grade 1 C & Grade 1 E

**Topic: International Day for the Preservation of the
Ozone Layer**

Date: 16 September 2025

Students of Grade 1 C and 1 E actively participated in the joint special assembly conducted on 16th September 2025.

The theme of the assembly was the International Day for the Preservation of the Ozone Layer, observed every year on 16th September.

This year's theme was "From Science to Global Action".

The assembly began with the school prayer and pledge, followed by a thought for the day and a new word related to the importance of the day. Students also presented songs and spoke about Hindi Divas, highlighting its significance.

The assembly concluded with students feeling informed and inspired to care for the Earth and to respect and value our languages.
