Report on Grade 2 - Special Assembly – Nutritional Week

A special assembly was conducted on the topic National Awareness Week by the students of Grade 2 on 22nd July 2025.

The assembly aimed to bring awareness about Nutrition Week which is celebrated every year to help students learn about eating healthy food and staying strong.

The highlight of the assembly was a well-executed skit, wrestling competition to show healthy food is good for health, ramp walk was conducted to represent healthy food and its components, a quiz to ignite thought about good food habits all these were presented by the grade2 students, on this occasion of Nutritional Awareness Week students created an awareness by sharing the right eating habits and their nutritional values.

Overall, it was a well-coordinated and inspiring assembly that ended with a pledge about healthy eating habits which instilled in students the need of following balanced diet.
