

zNATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU *Report on Chartered Accountancy Day Programme*

Chartered Accountancy Day was observed on 3rd July, 2025, with great enthusiasm and insight, by the students of Grades 11 and 12. The programme aimed at highlighting the significance of the commerce stream and celebrating the impactful journey of becoming a Chartered Accountant (CA).

The event began with a thought-provoking skit performed by students of Grades 11 and 12 which revolved around a relatable theme — the common societal pressure on students to pursue the science stream — and contrasted it with the inspiring journey of students who confidently chose commerce, ultimately finding great success as Chartered Accountants. Through engaging storytelling, humorous exchanges, and heartfelt moments, the skit effectively emphasized that choosing commerce is a highly rewarding path. The atmosphere turned vibrant with a fun and interactive activity where the audience was invited to guess the names of famous personalities from the Chartered Accountancy field. This segment not only engaged the audience but also helped showcase the diverse career opportunities and recognisable success stories within the CA profession.

The highlight of the event was a special address by our esteemed guest, Ms. Supraja S, a seasoned Chartered Accountant, who generously shared about her journey and experience poignantly. Her speech was filled with real-life experiences, challenges she overcame, and valuable advice for students aspiring to pursue Chartered Accountancy. Her words served as a beacon of inspiration, reassuring students that with determination and passion, success in the commerce field is well within reach.

The entire programme — from concept to execution — was planned and carried out by the talented and dedicated students of Grades 11 and 12, showcasing their organizational skills, creativity, and commitment to promoting awareness about the CA profession.

The Chartered Accountancy Day celebration left a lasting impression on all attendees and inspired many to explore the commerce stream with a fresh perspective and confidence.
