

NATIONAL PUBLIC SCHOOL KENGERI, BENGALURU
REPORT ON GRADUATION DAY 2025

Sankalpam Shubham

National Public School, Kengeri, Bengaluru, marked a momentous chapter in its academic journey as it bid an affectionate adieu to the Class XII batch of 2025–26 on January 31, 2026. The Graduation Ceremony unfolded as a graceful celebration of perseverance, transformation, and the threshold of new beginnings.

The occasion was honoured by the presence of the Chief Guest, Mrs. Anitha B. Haddannavar, IAS, Deputy Commissioner of Police, South West Division, Bengaluru. In her stirring address, she inspired the graduating students to pursue excellence rooted in integrity, courage, and social responsibility. The ceremony was presided over by Mrs. Divya B. S., Secretary, and Mrs. Geeta Dikshit, Principal, who conferred memoirs and mementos upon the graduates, commemorating their academic journey and milestones achieved.

The evening reached a deeply moving crescendo with 'Jyothi Daan', a solemn candle-lighting ceremony, symbolising the enduring flame of knowledge, values, and purpose—passed on as the Class of 2026 stepped forward with confidence into the wider world.

Adding a personal and emotional resonance, Madhurima and Medansh Vats of Grade XII shared heartfelt reflections, as memories came rushing back—morning assemblies, friendships forged within classroom walls, lessons learnt beyond textbooks, and teachers who believed in them even during moments of self-doubt. With gratitude, the students paid tribute to their alma mater and pledged to carry forward the values instilled in them, committing themselves to serve the nation with integrity and responsibility.

Parents, speaking on the occasion, expressed their deep appreciation to the school and its dedicated teachers for being true partners in the transformative journey—the one that shapes character and purpose, not merely careers.

The ceremony stood as a powerful culmination of commitment and conviction—a reminder that discipline fuels dreams, perseverance conquers challenges, and leadership truly begins when one dares to step beyond the comfort zone.
