REPORT ON CCA- CELEBRINO Fest 2025

A Saga of Creative Expressions.....

“Learn beyond books, grow beyond limits!”

The National Public School Kengeri, teachers and students came together with great enthusiasm to celebrate CELEBRINO Fest 2025, a grand two-and-a-half-day festival of creative expression from 28th August to 30th August 2025.

The celebration commenced on Day 1 at 9:30 a.m., graced and inaugurated by our Principal, Ms. Geeta Dikshit, along with coordinators, teachers, and students. The inaugural session set a vibrant tone for the days ahead, marked by innovation, talent, and artistic brilliance.

The first day highlighted creativity across Grades 6 to 12, with students engaging in a variety of art and craft activities such as button art, dream catcher making, abstract painting, and many more. The exhibits reflected originality and aesthetic finesse, making the day both engaging and inspiring.

The second day brought an equally enriching line-up of events, including poetry writing, badge making, seed art, hat decoration, and bag painting. Literary and performing arts added further vibrancy, with competitions in solo singing, dance, instrumental music, cricket commentary, product launch, and product unboxing.

The final half-day (Day 3) offered a perfect conclusion to the festival. The students participated in sash making and pop-up greeting card creation, alongside culturally rich and skillful events such as copra carving, keychain making, geometric design art, and folder designing. A spirited Kannada debate further showcased the eloquence, creativity, and critical thinking of the participants. The grand extravaganza culminated in a spectacular musical performance by the bands from the four houses—Nicon, Maxims, Regulus, and Pericles—presenting their own original compositions, which filled the campus with rhythm, energy, and celebration.

The event witnessed wholehearted participation from students, whose dedication and enthusiasm transformed the fest into a truly memorable experience. The Celebrino Fest 2025 not only showcased the diverse talents of the students but also nurtured their confidence, collaborative spirit, and passion for the arts.
