Report on Educational Trip

Grade 6

On 5th August, 2025 the students of Grade 6 embarked on an exciting movie trip to Gopalan Mall. The purpose of the trip was to watch a short documentary film titled, 'Nilgiris: A Shared Wilderness,' exploring the Nilgiris mountains and its biodiversity. The screening was part of an initiative to promote environmental awareness among students and encourage experiential learning, aligning with the National Education Policy 2020.

The documentary, directed by Sri. Sandesh Kadur, offers a deep dive into the region's unique landscapes, wildlife, and the interconnectedness of nature and human settlements. The film took the students on a visual journey through the breathtaking landscapes of the Nilgiris hills.

The film highlights the need for shared wilderness, emphasizing that nature and human settlements must co-exist. It showcased the stunning natural beauty of the Blue Mountains, highlighting the unique biodiversity and cultural heritage of the region. Two members of the production team visited the theatre and interacted with the students. They clarified the students' doubts regarding the shooting and production of the film.

The documentary, with its stunning visuals and powerful narratives brought the Nilgiris to life, showcasing the region's landscapes, wildlife, and indigenous cultures. The screening was more than just entertainment; it aimed to spark reflection, creativity, and environmental awareness among the students. It urged the students to become stewards of the planet and protect natural environment.

The students learnt a lot about the flora and fauna of the region and the interconnectedness of human and wildlife habitat. The trip was not only entertaining but also educational.
