

## NATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU

### Report on Grade 6 & 7 Trip

*“Learning becomes meaningful when it goes beyond the classroom walls.”*

National Public School, Kengeri, Bengaluru, organized an excursion for the students of Grades 6 and 7, to Mountain Bear Valley Resort, Ramanagara, on 16th January, 2026, with the objective of providing experiential learning beyond the classroom and promoting the overall development of students. The trip aimed to give students exposure to nature, encourage teamwork, and offer a refreshing break from regular academic activities.

The students greatly enjoyed adventure activities such as trekking and zip lining, which helped them build confidence, courage, and a spirit of cooperation. Exploring the natural surroundings of Ramanagara made the learning experience lively and engaging, while also enhancing their appreciation for nature. The students also had immense fun participating in indoor games like Carrom, Chess, and Ludo, as well as outdoor sports such as Badminton, Cricket, and Throw ball. These activities encouraged healthy competition, teamwork, and sportsmanship. Laughter, excitement, and shared moments strengthened friendships and created a joyful atmosphere throughout the trip.

Overall, the excursion was a memorable and enriching experience. The students thoroughly enjoyed every activity, returned with happy memories, and felt refreshed, motivated, and inspired by this well-planned educational outing.
