Visit to IIHR, Hesaraghatta
A day of discovery and insight

Grade 10 Students Visit to IIHR, Hesaraghatta
A day of discovery and insight

On 24th June 2025, Grade 10 students visited the Indian Institute of Horticultural Research (IIHR), Hesaraghatta, Bengaluru, as part of their experiential learning programme. The visit offered a unique opportunity to explore advanced research in horticulture, including plant breeding, pest control, and sustainable farming techniques. Students interacted with scientists and witnessed real-time experiments, enriching their understanding of biology and environmental science. It was a truly insightful experience that connected classroom learning with real-world applications.

STUDENTS E-VOTING

Students enthusiastically voted for their student council representatives.
