

**NATIONAL PUBLIC SCHOOL KENGERI, BENGALURU  
REPORT ON GRADE 6 C CLASS ASSEMBLY**

*“Technology enables individuals to connect, create and succeed.”*

*The students of Grade 6 C presented their class assembly on the theme, “Safer Internet Day”, which is observed, in the second week of February every year.*

*Safer internet day has been celebrated since 2004 to create awareness about the safe, responsible, and positive use of the internet, especially among children and young people. The students spoke about the significance of Safer Internet Day, explaining the need for online safety, digital responsibility, and ethical internet use in today’s world. A debate on the topic “Internet: Friend or Foe” was held, through which the students expressed thoughtful opinions on the advantages and disadvantages of the internet. The students also presented a street play to spread awareness about online behavior, highlighting issues such as cyber bullying, stranger alert, maintaining privacy, and comparing online information carefully.*

*The assembly was informative and impactful and helped students understand the importance of being safe and responsible digital citizens.*
