### *Report on Grade 7 B Assembly*

*“When the Festivities of the West meet the traditions of India, cultures connect and hearts unite.”*

*The students of Grade 7 B presented their assembly programme on the theme, ‘Festivities of the West’ in the last week of November 2025. The students beautifully illustrated how Western celebrations harmonizes with Indian traditions to create a rich tapestry of shared cultural joy. It stood as a testament to the students’ meticulous planning, artistic expression, and collective dedication.*

*A captivating skit on the significance of Halloween, in which the students adorned in imaginative ghost costumes and vibrant attire, brought the spirit of the festival alive on stage. Their expressive acting and spirited presentation set an enthusiastic tone for the celebrations that followed. A soulful musical segment inspired by Halloween and Thanksgiving, presented harmonious voices of the students and filled the atmosphere with warmth, transforming the assembly space into a festive haven. Their melodious performance uplifted the audience and enhanced the cultural richness of the theme. A spectacular showcase of talent, featuring a creatively choreographed spooky dance along with an expressive Thanksgiving-themed performance, conveyed messages of gratitude, unity, and appreciation for life’s blessings, leaving a deep and lasting impression on the viewers.*

*In essence, the assembly presentation was a remarkable blend of creativity, cultural understanding, and teamwork. Through expressive skits, enchanting music, and vibrant dance performances, the students successfully highlighted the beauty of Western festivities while connecting them to universal values of thankfulness and celebration. Their confident stage presence and wholehearted participation made each moment truly memorable. It was a celebration of their commitment to excellence, their collaborative spirit, and their ability to craft meaningful and enriching experiences for the entire school community.*
