Report on Grade 7 C Class Assembly

The students of Grade 7 C presented a meaningful value-based assembly in the first week of December 2025, as part of the observance of Mārgashira Māsa, focusing on the teachings of the Bhagavad Gita and the spiritual significance of important Jayantis. The assemblies aimed to instil moral values, devotion, and cultural awareness among students.

The assembly programme featured a skit-based conversation between Arjuna and Lord Krishna, portraying the essence of the Bhagavad Gita. Through simple dialogues and expressive acting, the students beautifully depicted Arjuna's confusion and Krishna's guidance, helping the audience understand the relevance of Gita's teachings in daily life. This was followed by speeches on the significance of Gita Jayanti, where students spoke about the importance of the Bhagavad Gita, its timeless values, and how its teachings guide humanity towards righteousness, duty, and self-discipline. The session helped students connect spiritual wisdom with modern life. Kalabhairava Jayanti and Dattatreya Jayanti was also observed by the students, in which they explained the spiritual importance of Lord Kalabhairava as the protector and Lord Dattatreya as the embodiment of wisdom and simplicity. The students melodiously sang the Kalabhairava Ashtakam and Dattatreya Ashtakam, creating a serene and devotional atmosphere. The chanting enhanced students' spiritual inclination and brought a sense of calm and reverence among the audience. They also presented a freeze tableau depicting how the values of the Bhagavad Gita can be inculcated in everyday life. The tableau showcased scenes related to duty, honesty, self-control, respect, and compassion. Each scene conveyed a powerful message, emphasizing how Gita's teachings can guide students in their personal and academic lives.

The assembly programme during Mārgashira Māsa was a great success. It provided students with an opportunity to learn, perform, and reflect on India's rich spiritual heritage. The activities helped nurture values, confidence, teamwork, and cultural understanding among students, making the assembly both educational and inspiring.
