

**NATIONAL PUBLIC SCHOOL KENGERI, BENGALURU  
REPORT ON WORLD ENVIRONMENT DAY 2025**

*“Live in each season as it passes; breathe the air, drink the drink, taste the fruit, and redesign yourself to the influence of each.”*

*The World Environment Day was celebrated with great enthusiasm on June 5, 2025, at our school under the meaningful theme “Combating Plastic Pollution.” The one-and-a-half-hour programme was presided by the Principal, Vice Principal, Coordinators, parents, teachers, and students.*

*The celebration featured a series of captivating performances by students that highlighted the urgency of addressing plastic pollution. A special initiative, “Ek Ped Maa Ke Naam,” saw mothers of students planting saplings, adding a personal and emotional dimension to the event.*

*Grade 11 students presented a thought-provoking skit, followed by a graceful dance performance on environmental awareness. Grade 12 students showcased a powerful street play focused on the fight against plastic, and also conducted a rapid-fire eco quiz, awarding seed packets to winners as a green gesture. Grade 10 students spoke about the significance and health benefits of medicinal plants.*

*Later, the school community—including the Principal, Vice Principal, teachers, office staff, and drivers—came together to plant saplings around the school premises. The initiative symbolized a united commitment to a greener, cleaner tomorrow and left everyone inspired to reduce plastic use and embrace eco-friendly practices.*
