EMPATHY

An engaging “Art with a Story” orientation was conducted on 8th August 2026 by Ms. Neha Phull for Grade 2 students and their parents. The session aimed to introduce children and parents to the joy of combining storytelling and art in a creative and meaningful way.

The workshop provided an interactive platform where students participated in artistic activities inspired by stories, encouraging them to imagine, create and express their ideas through art. The involvement of parents made the session more enjoyable and helped strengthen parent-child participation in creative learning.

The workshop was interactive, creative and enriching, giving students an opportunity to explore their imagination while developing confidence and artistic expression.

It was a wonderful orientation session that highlighted how art and stories can come together to make learning joyful and memorable
