

NATIONAL PUBLIC SCHOOL, KENGARI, BENGALURU

Report on WhizKidz 2026

A Legacy of Excellence and Innovations!

National Public School, Kengeri, hosted the much-awaited Whiz Kidz 2026, its flagship inter-school competition, on 24th and 25th July 2026, transforming the campus into a vibrant hub of innovation, creativity, intellect, and artistic expression. The two-day extravaganza brought together 14 prestigious schools and approximately 275 enthusiastic participants, all united by the spirit of learning, collaboration, and healthy competition.

The event was formally inaugurated by Dr. B. S. Daya Sagar, Head of the Indian Statistical Institute – Bangalore Centre, whose inspiring address encouraged students to embrace curiosity, scientific thinking, and innovation as the cornerstones of future leadership. His presence added immense prestige to the occasion and motivated the young participants to pursue excellence beyond conventional boundaries.

To ensure age-appropriate engagement and meaningful participation, the competitions were thoughtfully organized under three thematic domains—Youngenix for Grades IV and V, Navonmesh for Grades VI to VIII, and Tech Parampare for Grades IX to XII.

The first day witnessed an exciting line-up of intellectually stimulating and creative events, including Mission Possible, Imaginarium, Podcast Challenge, Eco Quest, Scrap Tales, Taal Tarang, Echelon Quest, and The Royal AI Saga. Participants showcased remarkable ingenuity, critical thinking, communication skills, and artistic flair, captivating both judges and audiences alike.

The momentum continued on Day Two with an equally engaging series of competitions such as Yogasattva, Doodle Dream Fest, Medha Mastery, Mime, Nature Mandala, The Whiz House, Chitra Kavitha, Model United Nations (MUN), and The Next Gen AI. From mindfulness and visual arts to diplomacy, artificial intelligence, literature, and public speaking, the events reflected the multidisciplinary vision of modern education and celebrated the diverse talents of young learners.

The two days of spirited competition and exceptional performances, bore fruit as National Public School, Yeshwanthpur, emerged as the Overall Champions, while National Public School, Banashankari, secured the Runner-Up Trophy. The winners were applauded for their outstanding consistency, teamwork, and excellence across multiple events.

More than a competition, Whiz Kidz 2026 stood as a celebration of imagination, innovation, resilience, and collaboration. The event reaffirmed National Public School, Kengeri's commitment to nurturing future-ready learners by providing enriching platforms where knowledge meets creativity, and young minds are empowered to design, dream and discover. As the curtains came down on this memorable edition, participants departed with not only trophies and accolades but also invaluable experiences, lasting friendships, and a renewed passion for excellence.
