Report on Inter-School Competition- "Earth Beat"

"The future belongs to those who nurture the Earth today through knowledge, creativity, and responsible action."

The students from our school enthusiastically participated in "Earth Beat" 2026, an inter-school competition hosted by AIRAA Academy, on Thursday, 25 June 2026. The event witnessed the participation of students from more than 25 schools, providing an excellent platform for young minds to showcase their talents, creativity, teamwork, and innovative thinking through a diverse range of competitions.

Our school students participated in four events and delivered outstanding performances. Their dedication, teamwork, and meticulous preparation brought laurels to the school by securing First Place in the Policy Drafting Challenge, won by Tanmay Sukeerthi M (Grade 9A) and Kira L. Dholariya (Grade 9A). The team comprising of Shreemayi Sucharita (Grade 11A), Jai Kishore A. P. (Grade 11B), Manya M. S. (Grade 12A), and Bhakti J. Shah (Grade 12B) secured Second Place in "Silent Earth" an Environmental Mime with a compelling and thought-provoking performance.

The competition provided an enriching learning experience, enabling students to interact with peers from diverse institutions, exchange ideas, and enhance their communication, critical thinking, creativity, and collaborative skills. Their achievements are a reflection of their hard work, perseverance, and commitment to excellence.

Overall, Earth Beat 2026 was a memorable and rewarding event that celebrated talent while fostering environmental awareness, healthy competition, collaboration, leadership, and creativity.

Congratulations!!!!
