

NATIONAL PUBLIC SCHOOL, KENGERI, BENGALURU

Report on Inter-School Competition- "Amateur Scientist"

"Success is not just about winning; it is about inspiring, innovating, and making one proud."

The students of National Public School, Kengeri, participated in the prestigious Amateur Manager & Amateur Scientist Inter-School Fest 2026, organised by PES University, Bengaluru on 29th August 2026.

The mega inter-school event witnessed participation from over 170 schools across Karnataka, providing students with a vibrant platform to showcase their innovation, creativity, business acumen, analytical abilities, and problem-solving skills.

In 'Media Mayhem', our school team secured Second Place among numerous participating teams. The team comprising of Khushi Panchal of Grade 8 A, Kruthi Purushothama of Grade 10 B, Ishaan Rajanish Kanduri of Grade 10 C, Advika M and Samarth M P of Grade 10 D and Diya Rajesh Rudragol of Grade 11 A, demonstrated exceptional creativity, branding, communication, and presentation skills.

In the event 'Dark Web Rises' our team secured Fourth Place. In this challenging and technically demanding event, our students, Prince Yadav, Shlok Yatin Vaidya, Rishika Ashok and Sriharisha of Grade 12 A displayed commendable analytical thinking, cyber awareness, technical knowledge, and problem-solving abilities in this highly competitive category.

These achievements are a testament to the dedication, talent, teamwork, and innovative spirit of our students. Their success reflects the continuous efforts of the students and the guidance and encouragement provided by the school.

We extend our heartiest congratulations to the winning teams for bringing laurels to our school. We also express our sincere gratitude to PES University for organising this enriching and inspiring platform for young minds.

Congratulations!!!!
