### Report on Inter-School Competition- "Prerana"

*"Success is the sum of small efforts, repeated day in and day out."*

Prerana' 26 an inter-school Sanskrit competition organised by Vidyaniketan Public School on 24 July 2026, brought together nearly 35 schools and 900 students from across Bengaluru. The event served as a vibrant platform for students to showcase their talents and explore the richness of Sanskrit through a diverse range of literary, dramatic, musical, and cultural competitions.

Our school students participated enthusiastically in two events, demonstrating talent, confidence, creativity, and appreciation for Sanskrit language and India's rich cultural heritage.

Monoacting Competition, featuring historical and epic characters presented in Sanskrit, witnessed an impressive performance by Dhyutisree Chinmayi of Grade 8B. She brilliantly portrayed Hanuman and Sita in the evocative episode set in Ashoka Vatika, bringing the characters to life through expressive dialogue delivery, powerful emotions, and confident stage presence.

Her captivating performance was highly appreciated by the judges and earned her the First Prize, along with a Trophy and an Amazon Gift Voucher worth ₹500. This remarkable achievement has added a feather in the cap of NPS Kengeri.

**Congratulations!!!!**
