

A special assembly for Grades 4 and 5 brought together meaningful themes of Tiger Conservation, Kindness, and "Each One is Unique." Through engaging skits, energetic dance performances, and a variety of activities, students showcased their talents while spreading important messages of compassion, environmental responsibility, and respect for individuality. The assembly was a vibrant celebration of talent, values, and self-expression.

Assembly Spotlight

Grades 1 and 2 celebrated meaningful themes through vibrant assemblies—Guru Purnima, International Tiger Day, Dr. A.P.J. Abdul Kalam Memorial Day, World Lion Day, and Friendship Day—promoting gratitude, inspiration, wildlife conservation, kindness, and teamwork through creative presentations.

SAKSHAM: Little Hearts, Big Gratitude

The Grade 2 students presented a special assembly to highlight the role of everyday caretakers. The children expressed gratitude to school and neighborhood heroes, learning about kindness and respect. The program encouraged the children to appreciate the selfless service of these heroes.

The Saksham event brought together Grade 2 parents for an engaging session on "Art with a Story." The resourceful talk by Ms. Neha Phull highlighted the importance of kindness and empathy, inspiring parents and children to understand and practise these values in everyday life. The session was an enriching blend of creativity, storytelling, and meaningful learning.

Young Minds, Digital India

Digital India Week was celebrated by Grades 1 to 5 through an engaging special assembly featuring skits, declamation, talks, dance, and the Nine Pillars of Digital India. The activities showcased the role of technology in everyday life and inspired students to embrace digital awareness, innovation, and responsible technology use.

Action Arena: Move, Groove & Grow

Action Arena, the regular sports period for Grades 1 and 2, promotes fitness and holistic development through fun movement activities, games and aerobics. The Handkerchief Workout added a creative twist, helping children develop coordination, balance, agility, rhythm, teamwork and confidence while staying active and engaged.

BUZZING BEES

Monthly Newsletter-Grade 1-V Celebrating Learning, Inspiring Excellence

August fills our hearts with pride, unity and the spirit of freedom. As we celebrate Independence Day, we remember the sacrifices of our freedom fighters and renew our commitment to building a strong, responsible and progressive India.

"Freedom inspires us to dream, learn and contribute towards a brighter future."

• Jai Hind!

The Crown of Glory-NPS Rising Stars

Students of Grades 1 and 2 excelled in the LogIQids Olympiad, securing impressive school and international ranks. Their achievements were recognised with trophies, medals, and certificates, while the Olympiad strengthened their logical reasoning, problem-solving, and critical-thinking skills..

• Nishchit of Grade 4 brought laurels to the school by winning a Bronze Medal in the 1000-metre race at the Open Nationals Speed Skating Championship held in Pondicherry. His remarkable achievement is a testament to his dedication, perseverance, and sporting spirit.

Young Creators' Corner

Students showcased their creativity through colourful and engaging Maths activities, exploring numbers, shapes, symbols and concepts through art and poetry. The activities made Maths learning fun, creative and meaningful.

Whiz Kidz 2026-27: Celebrating Young Talent

Whiz Kidz 2026-27 brought together students from several schools for a vibrant celebration of talent and creativity. Events such as Imaginarium, Mission Possible, Art Spark – Doodle Dream Fest, and Yoga Sattva challenged students in imagination, problem-solving, adventure, art, and yoga. With enthusiastic participation and healthy competition, our students showcased confidence, creativity, teamwork, and sporting spirit, winning several prizes and making the event a grand success.
