International Tiger's Day Special Assembly

"The Roar That Must Never Fade"

Venue: Assembly Ground | Dates: 23.07.2026

To commemorate International Tiger's Day, the students of Grade IV A presented a two-day special assembly titled "The Roar That Must Never Fade", promoting awareness about tiger conservation and forest protection.

The programme began on 23rd July with presentations on the importance of tigers and India's conservation efforts. A unique Photography Declamation, where students portrayed four world-renowned wildlife photographers, honored these unsung conservation heroes by sharing fascinating tiger facts, their experiences in the wild, and how their powerful photographs inspire people to protect wildlife and its habitats.

The culmination on 28th July featured a captivating skit, the traditional Huli Vesha (Tiger Dance) of Coastal Karnataka, and a powerful mime, portraying the joyful life of tigers, the impact of deforestation, and the hope of restoring wildlife through afforestation and collective action.

The assembly concluded with the message, "Save Forests, Save Wildlife, Save Our Future," inspiring students to become responsible future citizens committed to protecting nature and preserving wildlife.
