

# NATIONAL PUBLIC SCHOOL KENGARI, BENGALURU

## Friendship Day

The school celebrated Friendship Day with a vibrant and heart warming special assembly presented by the students of Grade 2C. The assembly was organised to promote the values of friendship, kindness, respect, and teamwork among the students. The assembly commenced with the school pledge, followed by the Thought for the Day, News, and New Word, setting a positive and meaningful tone for the celebration.

A brief introduction highlighted the significance of Friendship Day, after which a student dressed as a chef welcomed each special ingredient.

The students proudly displayed the abbreviations of the word "FRIEND" on their shirts, with every letter representing an essential quality of a true friend.

Through this creative presentation, the chef explained how ingredients such as kindness, honesty, respect, trust, sharing, empathy, and love blend together to create the perfect essence of friendship. The engaging performance beautifully conveyed that just as a delicious dish requires the right ingredients in the right measure, lasting friendships are built on these values.

The unique concept captivated the audience and left everyone with a memorable message about nurturing meaningful and lifelong friendships.

The programme successfully reinforced the importance of building meaningful friendship and inspired the students to create a caring, inclusive, and joyful school environment.
