'World Ocean Day'

A special assembly was conducted by the students of Grade 4 during the second week of the new academic year 2026–27. The assembly was organized to commemorate 'World Ocean Day' and witnessed enthusiastic participation from students across all Grade 4 sections.

The programme highlighted the significance of oceans and the need to protect marine ecosystems. The students captivated the audience with a vibrant dance performance, creatively portraying various marine creatures through colourful costumes and props. Their energetic presentation beautifully reflected the richness and diversity of ocean life.

The assembly also featured a meaningful speech on the importance of World Ocean Day, emphasizing the vital role oceans play in sustaining life on Earth and the responsibility of every individual to keep them clean and pollution-free.

The event was both informative and entertaining, creating awareness among students about marine conservation and inspiring them to become responsible stewards of the environment. The assembly concluded on a positive note, leaving the audience with a deeper appreciation for our oceans and their invaluable contribution to the planet.

"Little drops of water make a mighty ocean." — Julia A
