## REPORT ON NATIONAL READING DAY CELEBRATION

Grade 5A students celebrated National Reading Day with great enthusiasm through a special assembly that highlighted the importance of reading and lifelong learning. The programme began with a warm welcome, followed by an engaging skit titled 'A Journey Through Great Books', in which students travelled through the worlds of classic and inspiring books, meeting memorable characters and discovering valuable lessons. The creative performance encouraged everyone to develop a love for reading and showed how books can shape our thoughts and dreams.

The celebration also featured a melodious group song that beautifully conveyed the joy of reading and the power of books to inspire, educate, and unite people. The students performed with confidence and enthusiasm, making the programme both entertaining and meaningful.

The National Reading Day celebration was a memorable learning experience for all. It motivated students to make reading a daily habit and reinforced the message that books are lifelong companions that open doors to knowledge, creativity, and endless possibilities.

"Reading is to the mind what exercise is to the body."

— Joseph Addison
