Grade 5E Special Assembly

Theme: Every Child is Unique

On 16th July 2026, the students of Grade 5E conducted a special morning assembly at the school assembly ground on the theme 'Every Child is Unique.' The programme began with the prayer, thought for the day, and news headlines, creating a positive atmosphere.

The highlight of the assembly was a meaningful skit that conveyed the message that every child is gifted with unique talents and should believe in their own abilities instead of comparing themselves with others. This was followed by a melodious song celebrating individuality, confidence, and teamwork. Through their performances, the students encouraged everyone to appreciate differences, respect one another, and recognize the importance of self-belief.

The assembly was well-organized and confidently presented, leaving a lasting impression on the audience. It concluded with a vote of thanks, inspiring everyone with the message that every child has the potential to shine in their own unique way.
