Report on New Parents' Orientation- Grade 6 -8 (2026-27)

NPS Kengeri conducted the New Parent Orientation Programme for the parents of Grades VI to VIII on 23rd May 2026 with the objective of fostering a strong partnership between the school and parents for the holistic development of students. The orientation served as a meaningful platform to familiarise parents with the vision, values, expectations, and functioning of the institution.

The programme commenced with a warm welcome, emphasising the school's commitment towards nurturing responsible, disciplined, and compassionate learners. Parents were briefed about the school policies, academic framework, discipline protocols, uniform guidelines, attendance norms, and the expected code of conduct for students. The session highlighted the importance of punctuality, respect, integrity, and responsible digital behaviour in shaping the character of every learner.

Special emphasis was laid on the various outsourced programmes and enrichment initiatives offered by the school to enhance students' experiential learning and skill development. Parents were also introduced to the diverse celebrations, co-scholastic activities, and cultural events organised throughout the academic year, aimed at promoting creativity, collaboration, and emotional well-being among students.

Vice Principal Mrs. Suman Singh addressed the gathering and spoke about the significance of maintaining accurate and updated records in official documents such as Aadhaar, PAN, and Passport. She urged parents to ensure consistency in students' names and details across all documents to avoid future discrepancies and complications. Her address reflected the school's meticulous approach towards student administration and future preparedness.

The orientation programme concluded on a positive and reassuring note, strengthening the bond between parents and the school community. The session was insightful, interactive, and purposeful, leaving parents with a deeper understanding of the school's ethos and their shared role in guiding children towards excellence and responsible citizenship.
