Report on New Parents' Orientation- Grade XI (2026-27)

*“Education is the passport to the future,
for tomorrow belongs to those
who prepare for it today.”*

New Parents' Orientation Programme for the newly admitted Grade 11 students and their parents was held on 21 May 2026 in the school auditorium. The programme aimed to familiarize parents and students with the functioning, expectations, and academic framework of the institution.

The event commenced with the traditional lighting of the lamp, symbolizing the dispelling of ignorance and the ushering of knowledge and wisdom. This was followed by an informative PowerPoint presentation that provided a comprehensive overview of the institution's functioning. The presentation highlighted key aspects such as school timings, transport facilities, subject combinations offered in Grade 11, uniform guidelines, and other essential regulations that ensure smooth academic functioning and discipline.

Principal Mrs. Geeta Dikshit then addressed the gathering with an inspiring and thought-provoking speech. She emphasized the importance of students staying focused, being aware of global developments, and cultivating a constructive and creative mindset. She highlighted that the school provides a strong platform for holistic development, which students must utilise effectively. The Principal also spoke about the rapidly digitalised world, urging students to use technology wisely and judiciously. She stressed the need for conscious and responsible digital behaviour. Additionally, she appreciated the vital role of parents in providing continuous support, which helps students grow progressively and confidently.

The programme concluded on a positive note, leaving parents reassured and students motivated for the new academic journey ahead in Grade 11.
