"Once you start working on something, don't be afraid of failure and don't abandon it. People who work sincerely are the happiest." – Chanakya

Design and Architecture Seminar

A Design and Architecture Seminar was conducted for students of Grades XI and XII. The session was led by Mrs. Rachel Shibani, Founder and Creative Director of My Master's Strokes. She introduced students to the diverse opportunities in Design and Architecture, highlighting prestigious entrance examinations such as NID, UCEED, and NATA. The informative session provided valuable insights into academic pathways, career prospects, and the skills required to succeed in these creative fields.

9C - National Camera Day

Bridging Learning and Innovation and Financial Literacy

The Grade 11 and 12 students of Science and Commerce visited Christ University, Kengeri, for an educational excursion to the Robotics Department. They explored 3D printing, innovative robotics prototypes, and the Centre of Excellence research lab. An engaging presentation and a hands-on activity involving building and programming a line-following robot enriched their learning experience. The visit inspired students to explore robotics as a future career and was a memorable and successful learning opportunity.

Yoga Day

International Yoga Day was celebrated on 22 June 2026 with the theme "Yoga for Healthy Ageing." The programme highlighted yoga's role in fostering physical fitness, mental well-being, and inner harmony. Graced by Mrs. Divya B.S., the event featured soulful music, inspiring presentations, Surya Namaskara, Chandra Namaskara, yogasanas, and a captivating fusion of Yoga and Kalaripayattu by students. Principal Mrs. Geeta Dixit encouraged students to embrace yoga as a lifelong practice for holistic health and well-being.
