DAY

Quote

The influence of a good teacher can never be erased; it lives on in every life they touch."

A Career Counselling Programme was conducted to the students of Grades 9 and 10. An engaging, game-based assessment was used to identify the strengths, interests, and potential areas of each student. The programme provided students with an opportunity to explore their abilities in an interactive manner. Individual analysis and feedback will be shared with the students to help them make informed decisions about their future academic and career pathways.

An Annual Health Check-up was conducted for all students in collaboration with Apollo Shine. The comprehensive screening included dental, vision, nutrition, and general physical health assessments. Qualified healthcare professionals conducted the check-ups and provided individual feedback and guidance to students. The initiative aimed to promote awareness about healthy habits, early identification of health concerns, and the overall well-being of every student.

Celebration Corner

Independence Day was celebrated with great fervour and patriotic spirit. Students of Grade 10 hosted the entire programme with confidence and enthusiasm. The celebration began on the school ground with the Principal hoisting the National Flag, followed by an impressive march past. The programme continued in the auditorium with vibrant cultural events presented by students, showcasing India's rich heritage and fostering a strong sense of patriotism and unity.

The Onam celebration by the students of Grade 9, was a vibrant and colourful event. The programme showcased the rich cultural traditions of Kerala through a variety of engaging performances. The students presented the programme with great enthusiasm and creativity, creating a festive atmosphere. The audience thoroughly enjoyed every moment of the celebration and appreciated the students' efforts in making the occasion memorable.

Examination Tips

Plan • Prepare • Perform

Exams can be stressful, but good preparation makes a big difference. Make a study plan, revise regularly and take short breaks. Also, get enough sleep and stay positive. You can do it!

Definitely! And remember, read the question paper carefully, manage your time and attempt the questions you are confident about first. Don't forget to keep your answers neat and presentable. And most importantly, believe in yourself!
