Report on Grade 8 B Class Assembly

The students of Grade 8 B presented their thematic assembly programme on Kranti Diwas in the first week of August, 2026. The programme aimed to commemorate the bravery, sacrifices, patriotism, and unwavering determination of India's freedom fighters and to inspire students to uphold these values in their own lives.

The assembly performances recalled the struggles of the freedom movement and also encouraged students to reflect upon the meaning of freedom in the present day. The presentations drew an interesting comparison between the challenges faced by people during the freedom struggle and the challenges faced by today's generation in a rapidly changing, technology-driven and increasingly virtual world.

The students shared information on the significance of Kranti Diwas, introduced the theme by highlighting the importance of remembering the brave men and women who made immense sacrifices for India's Freedom. An engaging Nukkad Natak, which was presented on the theme "India Then and India Today", compared the struggles of the freedom movement with the realities of today's generation, highlighting the impact of smartphones, social media, virtual interactions, and digital distractions on modern life. A patriotic group dance was dedicated to Kranti Diwas.

The performance began with a solemn and powerful representation of the sacrifices made during India's freedom struggle. The dancers mesmerised the audience with perfect coordination, enhanced with the formation, expression and patriotic music portraying the soul stirring struggles of our freedom fighters.
