Report on Grade 8 D Class Assembly

The students of Grade 8 D presented their assembly programme on the theme, 'National Sports Day' in the fourth week of August, 2026. The programme aimed to create awareness among students about the importance of sports, physical fitness and the remarkable achievements of Indian sportspersons.

An engaging podcast-style interview portrayed the legendary Indian hockey player Major Dhyan Chand's inspiring journey as a sportsperson, his dedication to hockey and the rigorous practice that helped him achieve excellence. A national sports awareness quiz increased students' knowledge about Indian sports and the achievements of Indian athletes on the national and international stage. The questions covered various sports, sporting personalities, achievements and important events. The activity encouraged students to stay informed about India's contribution to the world of sports and helped develop a sense of pride and appreciation for Indian sportspersons. An energetic dance performance created an atmosphere of excitement and brought the celebration to a memorable conclusion.

The assembly presentation inspired students to take greater interest in sports and to appreciate the dedication and achievements of Indian sportspersons. It was a meaningful celebration that truly reflected the spirit of sportsmanship and the spirit of a champion.
