## **ASSEMBLY REPORT**

**Academic Year 2018 - 19**  
**GRADE-VII 'A'**

“Optimism is a strategy for making a better future. Because unless you believe that the future can be better, you are unlikely to step up and take responsibility for making it so”.

**- Noam Chomsky**

To enhance positivity in the ambience and to inspire one's hope for a magical moment to come in their life the students of Grade VII A presented their Class Assembly on 11<sup>th</sup> December.

“An optimist looks for a golden opportunity in the worst of difficulties while a negative thinker sees huge difficulties in the best opportunities”. Students of grade VII A were proud and also happy to share the importance of being optimistic and inculcate positive thinking in one's life. Their enthusiasm was well shown through the awesome anchoring, patriotic pledge, news reading, and a skit depicting magic of relationships. First day assembly was special as a poem on “TRUE OPTIMISM” was written and recited by Pradyumna.A.Gururaja.

‘Being optimistic in one's life and magic of relationships’. Lingering the magic of being optimistic students of Grade VII presented their second day assembly on 12<sup>th</sup> December. Students showcased their talent by depicting a small skit in which they motivated, inspired and imbibed the values of true relationships.
