ASSEMBLY REPORT

Academic Year 2018 - 19
GRADE-VII 'B'

“ENERGY SAVED IS ENERGY CONSERVED”

The students of Grade VII “B” reiterated the slogan by conducting the class assembly on 14th December and 17th December, 2018 respectively. The theme of the assembly was ‘Energy Conservation’, as Energy Conservation Day is observed on 14th December every year. The assembly began with a refreshing thought by Anjali and Vristi. It was followed by the news updates by Shristi and Divya. On 14th December, Ravi Shankar spoke about the factors affecting the environment and the remedies for it.

On 17th December, Bhoomika, Anwasha, Leisha, Trisha, Brunda, Aishwarya, Niharika and Rashmi enacted a skit about the importance of rainwater harvesting, benefits of windmill and the need to tap solar energy for future requirements. A chart and a model about rainwater harvesting, prepared by Vybhav, Trisha and Divya was displayed. A model of wind mill was prepared by Shaann. Through the skit, the students explained that, rainwater harvesting, windmill and solar energy are the best remedies to conserve the natural resources and protect our environment.
