INTER HOUSE GROUP SONG COMPETITION FOR GRADE III TO V ON 24-01-2019

To bring out musical talent of our students, we at NPS Kengeri conducted Inter House Group Song competition, where House Mistress & House Incharge Teachers trained the students with unique songs based on themes to bring about social awareness. Topics chosen were protecting rivers, corruption, road safety, empowering girl child, right to education etc.,

Individual audition was conducted during regular music classes and CCA periods.

The finalists performed on the stage in front of the audience comprising of students from Grade III to V, Principal, teachers and judges during finals on 25th January 2019.

Students wore costumes and used appropriate props for the song which helped them get more involved to bringing out the true message to the society about the issues. It also entertained the audience and made the event more colourful and interesting. Team spirit, enthusiasm and involvement of House teachers was appreciable. The support and guidance by the parents was commendable.
