EDUCATIONAL TRIP TO ZEN PARK

The students of Grade 3 to 5 were taken for an educational trip to Zen Park at Nagarbhavi on 14th September 2018. They were accompanied by a team of teachers.

The excitement of the students had ensured that the trip began well in time. On arrival to the Zen Park, the students were astonished to see the well-planned landscaped park that follows a Zen-garden which was based on a Japanese rock garden Theme. There were stone-carved lions, scary dragons, scenes from the life of Buddha were carved on stone, three monkeys showing universal truth. A beautifully carved Buddha statue, rock carvings of Mahatma Gandhi and Mother Theresa...depicting the humanity served by them.
