## REPORT ON EMBROIDERY CLUB

Grade - X

The Embroidery Club consisted of 18 students who have started learning the techniques of embroidery this year. Being able to use a needle and thread correctly seems to be considered a basic life skill. Embroidery is a subject which is enjoyed the most in the [school](#) premises. It puts 'Life in Every Stitch'. **Embroidery** is the [craft](#) of decorating [fabric](#) or other materials using a [needle](#).

In the Club the students learnt to use different materials used in embroidery like needle, hoops, threads and some of the basic techniques or stitches of the embroidery like-Hemming, Button Stitch and Button Hole Stitch, Lazy Daisy Stitch, Satin Stitch, Seed Stitch, Running Stitch, Back Stitch, Split Stitch, Stem Stitch, French Knot Stitch, **and** Chain Stitch

The Students in the Embroidery Club learnt team work, gained self-confidence and helped them relieve stress. It further helped them to recognize and communicate the unlimited and variant ideas and meanings. These very few opportunities provided to develop confidence, a sense of competence, vivid imagination and bloom with creativity.

Embroidery is important as it can be used in daily life. The students became aware about the various types of embroidery. The students were able to showcase their creativity and reflect the culture of the country. It gave a great sense of satisfaction and self-fulfillment

This Club provided a platform to develop positive attitude towards the school and life, beyond the formal education.

The students were curious and passionate towards the Embroidery Classes. Each one of them learned handling needle and thread in a creative way. They enjoyed each session and came out with wonderful designs.
