## REPORT ON ECO CLUB

Grade-VI to IX

The Eco club is an initiative to raise awareness of the environment among students. The activities were divided into two parts:

- ❖ **Shadow puppet show** with the theme song, 'Na Kaato mujhe, dukhta hai'. Children made different shadow puppets like trees, cars, birds, buildings etc. They then arranged these scenes wise to suit the lyrics of the song. With support from housekeeping staff, the stage with screen and lights enhanced the effect of the puppet show.
- ❖ **PowerPoint presentation** by students raised the awareness about terrace farming and how common plants can be grown on terraces. Thus the activities of Eco club served its purpose to sensitise the student community on ecological issues.
