REPORT ON HERITAGE CLUB
Grade-VI to IX

Being Indian is not blood, as much as it is culture.

...Tony Hillerman

The Heritage club of NPS Kengeri celebrated their club activities with thoughtful and variety programmes. The club members actively participated and organised themselves with variety of programmes like Glimpses of heritage sites and its importance (slide show), Fashion Show (fusion of Indian Culture – Incredible India) etc.,

The very site of few Heritage sites of India gave an insight of Indian art and architecture. The information provided with slide show was really thought provoking. The club members and audience enjoy each and every minute of the slide show.

The fashion show performance on the stage was inspiring for other students as they received cheers and applause, by their colourful show on the stage. The students were in different attire representing different states of India which showcased the feeling of unity in diversity with the theme Incredible India. Each pair represented the costume of different states with unique style. The club activity ended with a special message by the club member Kumari Swadha Singh, about the importance of culture and unity and its impact on children and adults.
