INDEPENDENCE DAY

Freedom is the atmosphere in which humanity thrives. “Breathe it in.”
National Public School, Kengeri celebrated 72nd Independence Day with a lot of pride and enthusiasm.

The students of grade I - V performed many programs to show their reverence to the struggle of our freedom fighters. The patriotic streak was ignited by a marvellous dance performance on patriotic songs.

The speech rendered by the principal was very motivating and informative. She also emphasised the real meaning of Independence.

The children enjoyed the programme whole heartedly and felt the feel of patriotism.
