## REPORT ON KANNADA CLUB

Grade-VI to IX

'Language is the light of mind. It is not just words. It's a culture, a tradition, a unification of mind, a whole history that creates what a community is'.

To empower these words, The Kannada Club had a privilege to expand student's horizons by exposing them to myriad activities. These activities instilled a sense of joy and admiration among students. The activity mainly focused on the indoor and outdoor traditional games.

Students had the opportunity to comprehend the rules of the game and also explored themselves by playing the games.

Kannada club activity helped students to uphold the legacy of the forgotten traditional games of India.
