REPORT ON SANSKRIT CLUB

Grade-VI to IX

On 06-08-2018, students from grade VI to IX presented three programmes on the stage from Sanskrit Club.

Students displayed charts to highlight the significance of Sanskrit language.

Students were divided into three groups. Each group tried to research on the given topics like

1. Significance of Sanskrit language.
2. The Great Indian Script – Srimadbhagavadgita.

All the club students were enlightened to pass on the legacy of this ancient language through conversation exclusively in Sanskrit language.

Thus the 'Sanskrit Club' paved way for students to enrich and enhance their knowledge of this ancient language.
