## REPORT ON STATIONARY CLUB

Grade-VI to IX

The main aim of stationary club was to reuse and recycle materials so as to make socially useful and productive items harnessing student's creativity so that they form the habit of making Best-out of- Waste.

The various articles produced were pen-stand, wall hanging, photo frame, paper flowers, vase, show pieces and cloth bags from waste material.

Children showed interest in making novel articles as well as came up with innovative ideas and designs. On the final day of club activity all the decorative articles were exhibited in front of the august audience and the children received accolades from teachers as well as students. All in all, it was a huge success and an enriching experience.
