## REPORT ON STATIONARY CLUB

Grade-X

Things turn out best for those who make best of, how things turn out. Creativity is making marvelous out of discarded. The Stationery Club imbibed these words with the following objective.

### **OBJECTIVE:**

*Scope for creativity and innovation using best out of the waste materials.*

The Stationery Club paved way for students of Grade 10 to develop creativity and analytical thinking in making a useful item in the best possible manner.

Students tried to use waste K.G.Card-board sheets, newspapers, refill boxes of tea bags etc. Further, students designed pen stand, book marker, paper flowers, miniature table, flower vase, wall hangings, and bells.

The learning objective was achieved as students explored their inherited talents, observations, thought out of the box and came out with their masterpiece in the form of plethora of articles.
