REPORT ON EXTEMPORE COMPETITION

Grade IX & X

Date: 10th August, 2018

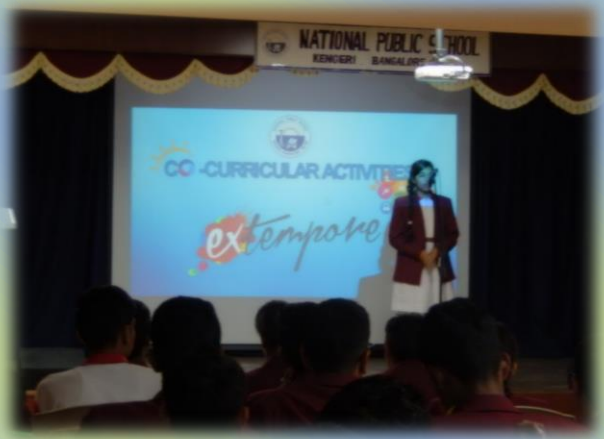

Extempore is the art of public speaking that is carried out without preparation or forethought. It puts to test one's ability to think on the spot and also their spontaneity. Oral communication fulfills a number of general and discipline-specific academic functions. Extempore is one such method which assists the students not only in thinking on their own but also in voicing their creative ideas with precision. To imbibe a true spirit of learning and enhancing the communication skills in students, Extempore Competition, was held at National Public School Kengeri.

The speakers were the students from the classes IX and X. The students were asked to pick up chits for the topics. The topics in the competition were associated with varied subjects such as current issues, spoken English, Science, Social Studies and Computers. There were two rounds in total. The first round or the preliminary round was conducted in class and best speakers were selected for finals held on 10th Aug 2018. All the participants got one and a half minute to speak on the selected topic.

The judgment was done on the basis of content, relevance to the topic, confidence, clarity of speech, time management, use of language and grammar, presence of mind and body language.

This activity was intended to give an opportunity to the students to shake off their diffidence and to build up their self-confidence.
