REPORT ON KANNADA PROVERB (GAADEMAATU) WRITING & HINDI MUHAVARE WRITING

Grade VI – VIII

Date: 20th September, 2018

Proverbs are wise sayings that give advice about life. They are the gems of wisdom. Proverbs are culturally specific, yet their meaning has the universality; everyone can relate to them in some way and some level. There is a proverb for almost any situation. We may sometimes not understand a big lecture but we understand a small proverb very easily because the truth they speak can span the globe. They can also give a greater potency to what is being conveyed.

For example, in trying to explain the consequences of evil deeds, the proverb 'As you sow, so shall you reap,' teaches the lesson – "You can't escape the consequences of your actions."

Having this as the crux, students of grade VI to VIII of NPS Kengeri were given the opportunity to explore themselves through Kannada Gaademaatu (proverb) and Hindi Muhavare Writing competition. Students tried to justify the work through their acquired literary skills.
