REPORT ON KG SPORTS DAY "SPARDHA-2018-19"

"All work and no play makes Jack a dull boy", an apt quote to instill spark of willingness and excitement among our kids. Hence in NPS to kindle the spirit of sportsmanship among the budding stars of our school, we ventured into various sports events on 16th February 2019 on the occasion of our third Annual sports day "SPARDHA 2018-19" with a great zeal, excitement and frolicsome atmosphere.

Sports day at pre-primary level is not about competition. It is about having fun, being physically active, learning the basics of sports and building co-ordination and motor skills, so as to give the little angels an opportunity to display their self-confidence, patience and sportsmanship.

The Spardha 2018-19 programme began with a formal welcome to esteemed gathering of chief guest, dignitaries and parents by our KG Co-ordinator, Mrs. Poornima Ramesh. Our principal Mrs. Geetha Dixit addressed the gathering and also remembered the martyrs who were killed in Pulwama attack, by one minute silence was observed as homage to the martyrs. The chief guest of the day Dr. Supriya Chandrashekar, a famous pediatrician gave a motivational speech on health and hygiene of kids.

Further the budding sports stars (finalist) participated in their respective races with full verve and vigor. It was a delight to see the excitement with which children challenged themselves to compete variety of races such as relay, fun games and running race. The game organized for the parents was an impressive participation.

The long awaited cultural programme with a theme “Jolly Circus” was a mesmerizing performance by our tiny tots. Children performed Yoga, Aerobics, Workout and Joker dance. Animals’ costume brought a scenic picture of Circus to everyone.

The overall anchoring of the programme was done by the students of Kindergarten and Montessori department. The teacher of pre-primary department had put all their effort to make the programme a grand success. The programme closed with a victory march of students accompanied by teachers. A pleasing smile and contentment on the faces of kids and parents spoke volumes about the success of SPARDHA 2018-19.
