CCA [CO-CURRICULAR ACTIVITIES]

REPORT ON JEWELLERY MAKING (GIRLS) & WRIST BAND MAKING (BOYS)

Grade VI – XI

Date: 31st August, 2018

Co-curricular Activity held on 31st August, 2018 was dedicated to Jewellery Making (Girls) and Wrist Band Making (Boys). Students from classes VI to XI participated in the competition.

It was thrilling to see the myriad shapes, hues and dimensions of the earrings made as part of a jewellery set. Thread, wool, silken threads, eco-friendly materials and vinyl were used to make gorgeous jewellery sets. Grade IX girls used quilling paper whereas Grade X girls used silk thread to craft their masterpieces.

The intricate jewellery pieces were placed artistically in jewellery cases by the students and tagged with their names and house names.

A dampener was the poor participation by boys in the CCA competition. However, it was noteworthy that the few boys who participated churned out sincere and elegant works of art.

Overall, a kaleidoscopic display of jewellery and accessories could be witnessed as a testimony to students' creativity.
