SCHOOL PICNIC FOR GRADE I & II

Children of Grade I & II were taken for a school picnic to “Big Barn Farm”. Children were greeted by the incharge people heartily. The place gave them a first hand experienced with variety of farm animals and different types of plants. the trip gave an insight about organic farming and the need behind it. The nature and the green pastures over there, made the children feel close to environment. Apart from being exposed to the natural world, the children indeed had splendid fun time amidst nature.. The staff over there extended warm hospitality and escorted the children all through the trip.
