## SCHOOL PICNIC FOR GRADE IV & V

The students of Grade IV & V were taken on a field trip to 'Madhuvana.' The village experience on 15-11-18. They were taken to the 'Tree House' & 'Sunrise Point' where they were told about the migratory birds.

They saw the various work by the artisans of the village and had a hands-on-experience like making bamboo baskets and articles, grinding flour on the grinding mill, jaggery making, pottery making, making of toys & weaving clothes etc. Further they participated in the rain dance which was accompanied by drums and trumpets. They were also taken to the agricultural unit where they were familiarized with horticulture, agriculture etc.

Last but not the least they were made familiar to some folk dances of karnataka like Veeragase, Goravana Kunita, Nandi kolu kunita etc. They were enthralled with its rustic charm & natural splendor.
