**Field trip - Grade I & II**

The most awaited day of the year was the school picnic to Enchanting Acres. The school picnic was for the students of Grade I & II.

Enchanting Acres gave an experience of being surrounded by greenery and the beauty of nature. We started early in the morning with the feeling of a great day ahead. The students were extremely excited. We were welcomed by the staff. A delicious breakfast was followed by various activities like planting seeds, feeding pets, tractor and pony ride, pottery and spray painting. Every child was given an opportunity to participate and enjoy themselves. After an exciting and fun packed morning we all headed for lunch, where we all relished different food items followed by an ice cream. All the students expressed a desire to revisit the place.

Indeed it was a great day for all the students and teachers.

**Field trip -Grade -III**

**“Field Trip connects students to the real world.  
School Field Trip provide every student  
with real world experiences”**

Grade III students got a fortuitous to visit "Grameena Camp", as a part of their educational field trip. Grameena Camp provided a rural atmosphere to the students. They were able to relish the essence of rustic games. Students were able to capture the visual experience of pottery making with clay, wooden toy making and natural dye. Botanical garden mostly comprised of medicinal herbs which gave an insight to students on the value of plants in our lives. Play area in the Grameena Camp gave students a leisure time to cherish with their classmates. They also enjoyed tasty breakfast and lunch in their trip.
